

We would like you to create art about talking to family about health and genetics

How might it affect a family to learn about a strong genetic risk factor?

What might make it easier or harder for people to talk to their family about a genetic risk factor? Could the NHS help?

For students in Years 7 - 9. Prizes: £100 for winner, £50 for runner-up, £10 for highly commended entries. Closing date 29th January 2027
